No. 227. Read the following letter from the President, Municipal Commission, Tanjore District, to the Acting Chief Secretary to Government, Fort Saint George ; dated Point Calimere, 13th July 1867, No. 170.

I have the honor to request the orders of Government on the following matter

2. Under Section 35 of the Towns' Improvement Act, the monthly proportion of the amount fixed for the maintenance of the Police in each of the five Municipalities in this District, during the half-year ending 30th April 1867, has been each month credited to the account of Government from the funds of the respective Municipalities, and the whole amount thus fixed for each Municipality for the aforesaid six months has been transferred to the account of Government. The amount, however, actually disbursed by the Superintendent of Police on account of the Police maintained in each Municipality, as shown in the Memorandum furnished by that Officer, has been less than the amount thus credited to Government, and it seems to me only fair that the difference between the amount received and actually expended on account of the Police should be refunded to the several Municipalities. The sum to be thus refunded amounts in the aggregate, for all the five Municipalities, to Rupees 3611-10-3, as shown in the subjoined statement.

3. Should the Government concur in this view, I have the honor to request that they will grant authority for the sum above-mentioned being debited to Government and credited to the accounts of the respective Municipalities, and also for this course being hereafter followed at the close of every year.
