Proceedings of the Madras Government, Public Department.

30th January 1866.

No. 94. Read the following letter from the Colonial Secretary, Natal, to the Chief Secretary to Government, Fort Saint George; dated 7th November 1865.

I am directed by His Excellency the Administrator of the Government to acknowledge the receipt of your letter of the 15th May last, requesting that inquiry may be instituted into the complaint of a cooly, named Doorgiah, who was returned with other invalids from this Colony in the *Regina*, and, in reply, I have the honor to state that instructions have been issued for the adoption of measures for the recovery of the money exacted from this man by his employer, and that, should the process be successful, the amount will be immediately remitted to Doorgiah.

2. With reference to the man's statement, that this money was paid before the Magistrate, if not under his orders, at least with his consent, I am to explain that this Government was in perfect ignorance of this transaction, until it was brought to notice in a letter from the Emigration Agent, Mr. H. Burton, and that no time has been lost in ascertaining the facts of the case, and in endeavouring to obtain redress.
