No. 46. Read the following letter from the Magistrate of Malabar, to the Acting Chief Secretary to Government, Fort Saint George; dated Palghaut, 17th July 1866.

I have the honor to report that the Palghaut Municipal Commissioners held its first Meeting this day, and that steps have been taken for the immediate commencement of Municipal action.

2. As Mr. Logan has been appointed to act as Sub-Collector at Tellicherry, and Mr. Cameron is now Acting Head Assistant here, I request Mr. Cameron may be appointed a Municipal Commissioner for Palghaut for the term of his acting appointment.

3. The old Taluq Cutcherry here is in tolerable repair. It is a quadrangular building enclosing a small Court. The largest room and a portion of the building is now occupied as a Post Office, but nothing like the space is required, and there are several other rooms than that now used by the Post Office writer, which will be equally convenient, and more than sufficient, for the requirements of the Postal Department. The building is otherwise vacant, and indeed suffering by non-occupation.

4. I beg, therefore, the sanction of Government to appropriate the large room just alluded to and its two ante-rooms as a Municipal Office, on the condition that it is kept in good order by the Municipality. One or two of the other rooms can be kept up as the Post Office.

5. In conclusion, I beg that a portion of the Government contribution to the Municipal expenses may be placed at the disposal of the Commissioners at once.

6. Other questions as to the date from which Police expenses are to be incurred, the date of expiry of the Municipal year, &c., will probably be disposed of by the Government orders on my letter of the 12th instant, regarding the Calicut Municipality.

No. 47. ORDER THEREON, 7th September 1866, No. 909.

The Governor in Council sanctions the use of the three rooms, referred to in paragraph 4 of the foregoing letter, of the Taluq Cutcherry at Palghaut as a Municipal Office, on the understanding that the same shall be kept in good condition by the Municipality.

2. The Government have passed orders separately on the subject of advances in the Proceedings of this date, No. 906.

3. Mr. Logan having reverted to the Head Assistantship at Palghaut renders any orders on paragraph 2 unnecessary.
