Proceedings of the Madras Government, Public Department,
8th September 1866.

No. 48. Read the following letter from the Collector of the Kistna District, to the Secretary to Government, Fort Saint George; dated Masulipatam, 21st August 1866, No. 29.

With reference to the Order of Government, No. 1821 of the 19th December 1865, sanctioning the continuance of the conservancy grant mentioned in their Order under date the 25th January 1865, until the Towns' Improvement Act should be brought into operation at Masulipatam, I have the honor to inform you that out of the sanctioned amount, viz., Rupees 5778, for the last six months, from January to June 1866, Rupees 4950-8-5 were expended on account of the Conservancy Establishment during that period, leaving a saving of Rupees 827-7-7.

2. Under the Orders of Government, dated 13th February 1865, No. 172, any savings out of this allowance were permitted to be spent on improvements; there remains, however, a sum of Rupees 827, which has not hitherto been spent.

3. A very large sum has to be paid for the maintenance of the Police out of Municipal Funds; and the tax presses heavily on a town which is only now recovering from the destruction which overtook it less than two years ago.

4. Under these circumstances, I trust I may be allowed to ask the sanction of Government to transfer the saving above named to the credit of the Municipality.
