*Proceedings of the Madras Government, Public Department,
31st July 1867.*

Read the following :—

No. 307. Letter from C. SMITH, Esq., M. D., Surgeon 2nd District, to the Deputy Inspector General, Indian Medical Department, Presidency Division; dated Madras, 28th June 1867, No. 61.

With reference to Proceedings of Government, with Order dated 16th May 1867, No. 558, I have the honor to request that you will be so good as to submit to the Inspector General my respectful application that he will forward to Government the following statement, which may, I trust, dispose Government to modify their decision, that I am not entitled to draw house-rent :—

1. By paragraph 11 of the Order G. O. G. G., No. 370, I am permitted to retain my old rate of pay of my present appointment.

2. The pay drawn by me amounts only to 1000 Rupees, and it is laid down that "Medical Officers holding appointments at the presidency, and not provided with public quarters, will be granted house-rent according to relative rank, and on the scale granted to Officers of the Staff Corps holding appointments at the presidency town."

"The grant of presidency house-rent is limited, however, to salaries not exceeding 1400 Rupees per mensem."

3. The pay of my appointment, whether given on the old or the new rates, is equally given to me "as holding an appointment at the presidency," and the amount of it is below the sum appointed by Government as the maximum, compatible with the granting of house-rent.

4. That in my case no portion of my consolidated salary was ever given as presidency house-rent; and although numerous applications were made, that in addition to then existing salaries presidency house-rent should be given, the consideration of the question was invariably withheld until the new rates of pay were determined.

5. That I observe the Right Honorable the Governor General considers and has ruled that "Presidency house-rent" is specially allowed to meet the extra expense in the item of house-rent, living at the presidency, and it seems to me that a Medical Officer holding an appointment at the presidency is fully entitled to the compensating provision authorized under the designation of "Presidency house-rent" specially to meet such extra expenditure.

6. It is nowhere specified in G. O. G. G., No. 370, that the rules under which pay is drawn should regulate the granting or withholding of house-rent.

Under these circumstances, I trust my being *under a special authority*—vide paragraph 11, G. O. G. G., No. 370—allowed to draw pay for an appointment, the salary attached to which will be reduced at some future day, should not prevent my being granted the same privilege which is now granted by order to Medical Officers holding appointments at the presidency more lucrative than that I hold.

The grant of Presidency house rent is limited however to salaries not exceeding 1400 Rupees per annum.

(3) The pay of my appointment, whether given on the old, or the new scales is equally given to me as holding an appointment at the Presidency - and the amount of it is below the sum appointed by Government as the maximum compatible with the granting of house rent.
