*Proceedings of the Madras Government, Public Department,
17th September 1866.*

No. 93. Read the following letter from the Officiating Director General of Telegraphs in India, to the Chief Secretary to the Government, Fort Saint George; dated Calcutta, 30th August 1866, No. 2609.

In forwarding the accompanying Extract from a report, No. 545, of the 9th instant, from Mr. H. Wickham, Superintendent of Telegraphs, Bangalore Division, on the successful laying of three cables in the neighbourhood of Cochin, I have the honor to request that the Madras Government may be pleased to recognise the ready co-operation of Captain John Castor, Master Attendant at Cochin. The work performed was a very difficult one at so unseasonable a time of the year, that, without his assistance, I fear the result would not have been so successful as I am happy to say it has been.

EXTRACT from No. 545, dated 9th August 1866, from the Superintendent Bangalore Division, to the Director General of Telegraphs in India.

Paragraph 10. It would be a great neglect of duty did I not bear testimony to the very great assistance afforded by Captain John Castor, the Master Attendant at Cochin, who placed not only the whole establishment of Lascars, ropes, small anchors, and other materials at my disposal, but volunteered personally to assist me in the management of the boats and rafts while placing the cable.

11. The services of this Officer were brought to the notice of Sir William O'Shaughnessy when assisting me to lay some cables on the West Coast during 1858.

No. 94. ORDER THEREON, 17th September 1866, No. 937.

Recorded, with reference to Proceedings in the Marine Department, of 1st instant, No. 213.
