*Proceedings of the Madras Government, Public Department,
3rd August 1867.*

No. 14. Read the following letter from the President of the Municipal Commission, Kurnool, to the Acting Chief Secretary to Government, Fort Saint George; dated Kurnool, 25th July 1867, No. 97.

In reply to Government Order, No. 832, dated 13th instant, I have the honor to inform you that the reason why so high a tax was sought to be laid on slaughter-houses was, because there is only one place in the town used for slaughtering cattle.

2. In my letter, No. 22, dated 18th February, I forwarded for sanction a Bye-law passed by the Commissioners, whereby it was proposed that two Pice for each sheep or goat, and 1 Anna for each bullock, cow, calf or buffalo slaughtered, should be charged. The Government objected to this because they considered such a monopoly inexpedient, and not sanctioned by the Municipal Act.

G. O., No. 297, dated 21st March 1867.

3. The land where slaughtering takes place belongs to the Municipality, and the idea was to build a suitable slaughter-house on it, the expenses toward erection and repairs being defrayed by the charge for slaughtering. On this plan being opposed, a tax of 50 Rupees half-yearly was recommended, on the supposition that, if a house was built, it would require at least 50 Rupees half-yearly to maintain it, and reimburse the original cost.

4. The Commissioners now consider that their fund will not for some time allow of their building a slaughter-house, and, being unwilling to have cattle slaughtered to any large extent elsewhere, think the best plan is to continue slaughtering in the present place, and not to fix any sum for a license for slaughter-houses. Should, however, any one apply for permission to establish another slaughter-house, and for a license, the Commissioners will then consider the amount necessary to charge for a license, and apply for the Government sanction.

No. 15. ORDER THEREON, 3rd August 1867, No 946.
To be recorded.

*Proceedings of the Madras Government, Public Department,
18th September 1866.*

No. 105. Read the following letter from the British Consular Agent at Karikal, to the Acting Chief Secretary to Government, Fort Saint George; dated Karikal, 14th June 1866, No. 81.

I have the honor to state that, since the departure of Assistant Surgeon J. Murray, Civil Surgeon of Tranquebar, who was, by Proceedings of Government, dated 20th December 1865, No. 1291, authorized, under Section 82 of Act XIII of 1864, to perform the duties, and exercise the powers, assigned to, and conferred on, "the Magistrate of the District," no other person having been appointed in his stead, I considered it my duty to register the Emigrants brought before me by the Recruiting Maistries (by receiving the prescribed fee of one Rupee per Emigrant, which I pay regularly, at the end of each month, into the Treasury of the Superintendent of Sea Customs at Tranquebar), as, otherwise, recruiting, in this District, would have been very seriously hampered, if not stopped altogether.

2. I have now the honor to request, you will be pleased to obtain the order of Government, and to let me know, if I should continue to do so, or whether Government will nominate some other Officer for the purpose.

No. 106. ORDER THEREON, 18th September 1866, No. 946.

Ordered that the following Notification be published:—

"Assistant Surgeon Frederick Duckworth, M. D., Acting Civil Surgeon of Tranquebar, is invested with the powers of a Magistrate, and, under Section 82 of Act XIII of 1864, is authorized to perform the duties, and exercise the powers, which, by the aforesaid Act, are assigned to, and conferred on, the 'Magistrate of the District.'"
