*Proceedings of the Madras Government, Public Department,  
6th August 1867.*

No. 65. Read the following letter from the Secretary to the Committee for the Examination of Assistants, to the Acting Chief Secretary to Government, Fort Saint George; dated Madras, 5th August 1867, No. 434.

I am directed to report that an examination of Assistant Collectors was held on the 27th and 28th June.

2. Sixteen gentlemen presented themselves for the Second Standard, and twenty-two for the First.

3. The packet of examination papers reached Palamcottah opened, and the local Committee decided not to allow the examination to proceed in consequence. Five gentlemen, two in the Second and three in the First Standard, were thus deprived of the opportunity of passing. Special papers have been prepared, and an extraordinary examination will be held on the 16th instant for the benefit of these gentlemen, and of the Assistant Superintendent of Police at Jeypore, who was prevented from appearing at Vizagapatam on the 27th June by no fault of his own.

4. Of the remaining gentlemen two have passed according to the Second Standard, and five according to the First.

5. The Committee have arranged them according to merit as follows :—

*Second Standard.*

Mr. H. E. Stokes.

„ A. Cruickshank.

*First Standard.*

Mr. F. E. Hall.

„ C. J. Knox.

„ R. Rice.

„ S. T. McCarthy.

„ H. F. Clogstoun.

6. Mr. Clogstoun was exempted from examination in Revenue subjects, under G. O., 24th October 1864, No. 1356, as an Assistant Superintendent of Police.

7. I am to remark that the work of the Examining Sub-Committees has been peculiarly heavy on this occasion. The Judicial members, for instance, have set twelve different question papers, and when the special examination is over they will have examined 117 answers.

8. The Committee recommend that, in accordance with paragraph 2 of the Revised Rules for the Examination of Assistants, the increased allowance of Rupees 175 per mensem may be passed to Messrs. Stokes and Cruickshank from the date of the examination.

*Proceedings of the Madras Government, Public Department,*

*26th September 1866.*

No. 144. Read the following letter from the President of the Civil Dispensary Committee, Cuddapah, to the Chief Secretary to Government, Fort Saint George ; dated Cuddapah, 8th September 1866, No. 35.

It is now three years since the Dispensary here became self-supporting, during which time, through the constant assiduity of the Native Surgeon, Iyasamy Pillay, the attendance has more than doubled, and the advantages of such an Institution

have become more generally known. The subscriptions have amounted to nearly Rupees 40,000, of which Rupees 37,000

have been invested in the 5 per cent. Government Loan, and the Committee have now voted Rupees 2000 to build a house for a Dresser in the Dispensary Compound, and also a Cholera Ward. The cost of these will be altogether Rupees 4000.

2. The Government have ruled that on no account is a cholera patient to be admitted into a Dispensary. The necessity, therefore, for this building is self-evident, and it is also very necessary that a Dresser should be at all times close at hand. I have the honor, therefore, to request that you will obtain from Government a grant-in-aid of Rupees 2000.

No. 145. ORDER THEREON, 26th September 1866, No. 971.

The Governor in Council will readily sanction a grant of Rupees (2000) two thousand towards the erection of the proposed buildings in the Dispensary Compound at Cuddapah, estimated to cost Rupees 4000, if the plans meet with their approval. The Committee are requested to forward these for inspection.

2. Orders will be issued in the Public Works Department, for the due supervision of the work by the Executive Engineer of the Range.

(True Extract).
