Memo: (Towns Improvement Act) for Vizagapatam

1. In my original proposals - vide Page 4, Proceedings of Government 4th May, last, - I put down Rupees 10,000 to be raised by the Towns people for Police purposes. The Government grant of 25 per Cent added to this makes the total amount available for the maintenance of the Police Force, Rupees 12,500.

2. At page 86, the Government have indeed estimated the sum to be raised by the Town for Police at Rs 7515, and their own subsidy at Rupees 2505, total Rs 10020: but this leaves nothing for Police Buildings, and includes none of the Incidental Expenses except clothing. My figures therefore, it is submitted, may very well be left as they are.

3. The following account shows how the money -
Rupees 12,500, will be spent on Police purposes.

Total annual cost of Police Force,
as per Government Proceedings, page 86. } 100 20

Incidental expenses _____ 250

* Building a 1st class Station House
at Vizagapatam, as per standard Plan } 1400

* Ditto 2nd class at Waltham, as per
standard Plan _____ } 800

* recognized as emergent by Mra. 12,470, or 12,500 in round number
-gistrate and Deputy Insp^t. General of Police.

4. Conservancy. The sum entered by me, originally, was Rupees 1¹⁴000 vide Page 4 Gov^t Proceedings. The Govern^t Grant of 25 per Cent added to this brings it up to a total of Rupees 21250. It is proposed to retain these figures.
