Proceedings of the Madras Government, Public Department,

14th August 1867.

No. 99. Read the following letter from the President of the Municipal Commission, Cuddapah, to the Chief Secretary to Government, Fort Saint George; dated Cuddapah, 6th August 1867, No. 134.

I have the honor to request, at the desire of the Municipal Commissioners for the town of Cuddapah, you will be so good as to obtain the sanction of His Excellency the Governor in Council to levy a fee of two pice for every sheep or goat, and one Anna for every cow, bull, bullock, or calf, slaughtered within the slaughter-houses constructed by the Commissioners.

2. For the present, the Municipal Commissioners have resolved not to grant licenses to private individuals to erect slaughter-houses: the small fee levied on every animal brought for slaughter will, they believe, just be sufficient to defray the expenses of keeping these houses clean and in order.

3. In conclusion, I beg to state that a separate slaughter-house has been built for slaughtering bullocks and cows.

No. 100. ORDER THEREON, 14th August 1867, No. 994.

Resolved that a copy of Proceedings of Government, Public Department, dated the 21st March 1867, No. 297, be communicated to the President of the Cuddapah Municipality, who is informed that, for the reasons therein stated, the Government are not prepared to sanction the proposals contained in his letter above recorded.

2. The desirability of providing for the legalization of a measure similar to that now proposed will be considered when the revision of the 'Towns' Improvement Act is undertaken.
