*Proceedings of the Madras Government, Public Department,*  
13th August 1867.

No. 104. Read the following letter from T. A. N. CHASE, Esq., President of the Municipal Commission, Kurnool, to the Acting Chief Secretary to Government, Fort Saint George; dated Kurnool, 30th July 1867, No. 98.

I have the honor to forward a corrected statement of the actual expenditure on account of the Municipal Police of Kurnool.

In my letter, No. 68, dated 11th May, the statement marked D, Captain Reid informs me, was incorrect, because all the items, other than those for the pay of the establishment, were for twelve months, instead of for nine months as they ought to have been.

This revised statement makes the actual expenditure Rupees 4958-10-1, and not as in the original one 5106-13-0.

Captain Reid has also furnished me with a revised estimate for 1867-68, amounting to Rupees 6611-8-2, which is, with the exception of a few Annas, the exact amount of the sanctioned charge, viz., Rupees 6612.

2. I have repaid the 9 Rupees, as directed in Government Order, 818, dated 11th July 1867, paragraph 3.

As the difference now turns out to have been only one of account, there will be no loss of 147-13-0 to be borne by Government, as mentioned in that paragraph.

In the Government Notification a misprint has taken place, I think, in the amount to be raised and expended. The numbers are Rupees 21,610. They should be 26,414-1-4; for the estimate was originally made out on the expectation of the Government grant being Rupees 3824-4-0, but that grant has been reduced (vide paragraph 5 of the Government Order) to 3628-4-0, making a difference in the estimate of 196 Rupees. The estimate was Rupees 26,610-1-4. If 196 Rupees are deducted from that, the amount remaining will be 26,414-1-4. This will be clear from this estimate, revised according to the Government Order, as below—

KURNOOL,

*Proceedings of the Madras Government, Public Department,  
13th August 1867.*

No. 105. ORDER THEREON, 13th August 1867, No. 996.

From the revised statement of Police charges for the Kurnool Municipality for the year 1866-67, it appears that the actual expenditure under that head was Rupees 4958-10-1, and not Rupees 5106-13-0, as originally stated.

The estimates for 1867-68, under the same head, amount, within a few Annas, to the sum sanctioned in July last.

2. There will, it appears, be no actual loss on account of disbursements for Police charges for 1866-67, the difference noted by Government being one of account only.

3. With regard to the amount to be contributed by Government towards the Municipal Fund for 1867-68, there has, as Mr. Chase suggests, been a mistake, which will be corrected as follows :—

The total amount to be raised and expended is Rupees 21,610, as shown in the

margin, but the Government contribution must be calculated on this sum, and not only on the amount to be raised by the Commissioners; the total amount, therefore, at the disposal of the Commissioners will be as follows—

No 98. <sup>10</sup> ~~General~~ Municipal Office  
30<sup>th</sup> July 1857

From, T. A. de la Cruz Esquire  
President to the  
Municipal Commission  
To, The Honble S. Kellie Esq  
Chief Secretary to Govt  
Port St. George.

Sir, I have the honor to forward  
a corrected statement of the  
actual expenditure on account  
of the Municipal Police of this  
Island.

As my letter 1068 dated 11<sup>th</sup>  
May, the statement forwarded  
by Captain Reid informs me,  
was incorrect because all the  
items other than those for the  
pay of the establishment were  
for 12 months instead of for  
9 months as they ought to have  
been.

This revised statement  
makes the actual expenditure  
Rs 4958-10-1, and as in  
the original one 5106-13-0.

Captain Reid has also  
furnished me with a revised  
estimate.

estimate for 1867/68 amounting to Rs. 6611-8-2. which is with the exception of a few annas the exact amount of the sanctioned charge viz Rs 6612-0-0.

2. I have repaid the Rs as directed in Government Order 818. dated 11<sup>th</sup> July 1867 Para 3.

As the difference turns out to have been only one of account there will be no loss of 147-13-0 to be borne by Government as decided in that Para.

In the Government notifications a discrepancy has taken place, I think, in the amount to be raised and expended. The numbers are Rs 21,610. They should be 26414-1-4. For the estimate was originally made out on the expectation of the Government Grant being 3824-4-0 but that grant was

has been reduced (Vide Para 5 of the Government Order) to 3628-4-0 creating a difference in the estimate of 196 Rs. The estimate was Rs 26610-1-4. If 196 Rs are deducted from that the amount remaining will be 26414-1-4. This will be clear from the estimate revised according to the Government Order as below.

Proceedings of the Madras Government  
Read the following letter from the President of the Municipal  
Commission, Kurnool, dated 30<sup>th</sup> July 1867. No. 98.

Order thereon — 13<sup>th</sup> August 1867. No. 99.

From the revised statement of Police  
Charges for the Kurnool Municipality  
for the year 1866/7, it appears that  
the actual expenditure under that  
head was Rs. 4958-10-1, and  
not Rs. 5706-10-0, as originally  
stated.

The estimate for 1867/8 under the  
same head amount, within a few  
annas, to the sum sanctioned in  
July last.

2. There will, it appears, be no actual  
loss on account of disbursements  
for Police charges for 1866/7, the  
difference noted by Government being  
one of account only.

With regard to the amount Mr. Com-  
missioner of Government has  
contributed towards  
the Municipal Fund for 1867/8.  
There has, as Mr. Chase suggests, been  
a mistake, which will be corrected  
as follows.

The total amount raised and  
expended is Rs. 21,610, as shown

13<sup>th</sup> August 1867  
J. H. D. H. 12/11/67

Rs  
 Police — 6612  
 Office Staff — 3000  
 Stationery and Critic-  
 -isms — 500  
 Improvements, drainage,  
 and conservancy } 14,498.  
24,610.

in the margin, but the Government  
 contribution must be calculated  
 on this sum, and not only on  
 the amount to be raised by the  
 Commissioners; the total amount  
 therefore at the disposal of the Com-  
 missioners will be as follows.

Rs.  
 To be raised by the Commissioners — 14,513.  
 Govt. Grant at 25 percent on the  
 total amount to be raised and  
 expended — 5,402.8.

By fines, sale of cow-dung, and  
 house rent — 784.

20,699.8

7,488. 13.4.

Rs 28,188.54

By balance from 1866/7.

The following notification will accord-  
 ingly be published in the  
 Fort St George Gazette.
