No. 11. Read again letter from the Collector of Vizagapatam, dated 21st February 1865, No. 68, and recorded in the Proceedings of Government of the 25th April 1865, No. 425.

Read also the following letter from the Civil Surgeon, Vizagapatam, to the Deputy Inspector General of Hospitals, Northern Districts, Waltair; dated Vizagapatam, 8th December 1865, No. 180.

With reference to the Proceedings of the Madras Government, No. 425, dated 25th April 1865, and Memorandum, No. 3962, dated 16th November 1865, from the Secretary to Principal Inspector General, Medical Department, I have the honor to inform you that, I spent a portion of 25 Rupees given to me in 1860, and kept a correct account of the same. When I handed over charge of my appointment to Dr. Dougall I sent him the balance in my hands, with the account, and requested him to acknowledge the same; he did so by a note, which (I being satisfied that the money was in Dr. Dougall's hands) was put in my waste paper basket. I regret now that I did not take a formal receipt from Dr. Dougall. About 14 Rupees of the money was disbursed as batta to mothers in small sums between 1860 and 1863. As I omitted to take a formal receipt from Dr. Dougall, I must submit to the balance being recovered from me, if Government consider such a step necessary.

Prinl. Inspector Genl., Medical Dept.

No. 12. ORDER THEREON, 4th January 1866, No. 9.

From Dr. Dougall's letter to the Collector of Vizagapatam of the 28th November 1864, No. 269, the Government were led to infer that the former Officer had received no portion of the sum, viz., 25 Rupees, paid as an advance to his predecessor for purposes connected with the Vaccine Department. It now appears from Assistant Surgeon Andrew's letter that the unexpended balance in his hands, together with the account of disbursements made by him up to the time of his relinquishing charge of the Civil Hospital at Vizagapatam, was made over to Dr. Dougall.

2. The Principal Inspector General, Medical Department, will accordingly call upon Dr. Dougall to submit any further explanation that he may have to offer on the subject.
