Proceedings of the Madras Government, Public Department,

8th May 1867.

No. 58. Read the following letter from the Examiner of Claims, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 27th April 1867, No. 361.

I have the honor, with reference to Government Order, No. 171, dated 20th April 1867, by direction of the Accountant General, to report, for confirmation

Gazette, page 898b.

by Government, that I have adjusted Dr. Wyndowe's salary, as Chemical Examiner and Professor of Chemistry, according to the scale therein laid down, although that appointment, in the Madras Presidency, is not included in the list. I have acted thus because I considered that, as the same appointment in all the other Presidencies is shown, its omission in this one arose from inadvertence, and that it was not left out on purpose.

No. 59. ORDER THEREON, 8th May 1867, No. 520.

The Governor in Council approves of the course taken by the Examiner of Claims in passing Dr. Wyndowe's salary, as Chemical Examiner and Professor of Chemistry, according to the scale laid down for the other Presidencies. The Government have no doubt that the omission of the appointments in question from the Madras list was an oversight.
