Proceedings of the Madras Government, Public Department,

11th May 1867.

Read the following papers :—

No. 76. From the Acting Mauritius Emigration Agent, Madras, to the Chief Secretary to Government, Fort Saint George; dated Madras, 13th April 1867, No. 57.

In accordance with instructions contained in paragraph 2 of the Proceedings of Government, No. 366, dated 9th April 1867, I have the honor to submit the enclosed estimate of the probable expenses of the Mauritius Emigration Agency for the next three months.

2. Although the greatest probable requirement of each month does not exceed Rupees 577-2-10, I still beg that I may be permitted to draw up to one thousand Rupees, provided that this amount should be required, because I have to keep funds in reserve for remittances made by Emigrants from Mauritius, and also to pay the salaries of Mauritius employes who arrive on leave in India. Expenditure on these two accounts is so uncertain that if I were strictly restricted to the estimate herewith submitted, I shall probably have to trouble the Government on the arrival of each Mail for to meet requirements which may occur under these heads.

3. I respectfully submit that in applying for funds from the Accountant General, I have invariably submitted an estimate of the requirements for each month; and as a monthly Statement is always furnished to this Officer of receipts and disbursements made by the Mauritius Emigration Agency, it is in his power to check any drafts that may be drawn for more than the probable requirements. So accurate has been my estimate for this month that, after paying all expenses, I shall have a balance of only Rupees 9-11-11 on hand.

In confirmation of what was stated in paragraph 2 of my letter No. 57, dated 13th April 1867, I beg to inform you that by the Mail Steamer which came in yesterday I have received instructions to pay one hundred Rupees to a Native female named Ayathal, residing at Trichinopoly, which sum is a remittance from her son, Soobroyen, an Interpreter at Mauritius.

No. 78. From the Acting Mauritius Emigration Agent, Madras, to the Chief Secretary to Government, Fort Saint George; dated Madras, 11th May 1867, No. 70.

I have the honor to enclose copy of a telegram received at 11½ P. M. last night, from the Honorable the Colonial Secretary, Mauritius, requesting the despatch of two European Surgeons and two Native Apothecaries by the Steamer that is expected on Monday the 13th instant.

2. I beg to state that there is every probability of my securing the services of the latter; but I shall not be able to ship them, unless I am put in possession of funds to pay their passage money. For this purpose, I believe I shall require some five or six hundred Rupees in addition to the amounts asked for in my letters, dated the 13th and 24th April, respectively.

From Colonial Secretary, Mauritius, through Colombo, to Mauritius Emigration Agent, Madras.

Arrange conjointly with our Agent at Calcutta for early despatch of two European Doctors under engagement to serve at sea or on shore for one year, on terms *not* exceeding those secured to permanent Cooly Surgeons; also for two Native Apothecaries, similar service at lower rates, to leave Galle for Mauritius by Mail of twenty-first May. Report progress if Doctors not ready to start that day. Telegraph this message to Calcutta.
