Deputy (Hospital Assistant) & Head
Assistant Collector - In the districts where
I served up to the end 1853 from 1832,
no Head Assistant had a Deputy and,
so far as I know, never reported one -
nowadays, when certainly ^{men} do not
push about in their districts as
they formerly did I would make no
addition to an establishment which
seems already overgrown -

If however, it be determined that that
is good for one H^d. Assistant is good for
another, I would desire the S. G. of Hospitals
to send to the H^d. Asst. Stationary Surgeon
the Deputy who it seems, is now
provided for the Deputy Collector at
Namuk -
