No. 114. Read the following letter from P. GRANT, Esq., President, Coonoor Municipal Commission, to the Chief Secretary to Government, Fort Saint George; dated Coimbatore, 15th April 1867, No. 30.

The Coonoor Municipal Committee propose to plant out trees along the roads, &c., within Municipal limits, and I have been requested to ascertain whether Government will be pleased to sanction the transfer to them of about 1000 seedlings of various kinds from the Government Garden at Ootacamund. If the plants are available, the grant of them will be a boon to the Municipality, but whether the Superintendent of the Government Garden will be willing to give the plants for nothing, I have not ascertained. Perhaps he may have a superabundance of plants.

No. 115. ORDER THEREON, 16th May 1867, No. 559.

The Magistrate should ascertain the cost of the seedlings and the number which can be spared. Mr. Grant should not have addressed Government on the subject without having previously obtained information on these points.
