No. 142.

ORDER THEREON, 21st May 1867, No. 572.

The Governor in Council requests that the Inspector General of the Medical Department will submit the arrangements set forth in the foregoing Notification in a letter, stating, in detail, his reasons for the proposed distribution of duties. It appears to the Governor in Council that the duties which it is proposed to impose upon the Medical Officers in charge of the 3rd and 4th Districts are unduly large, and that a portion, at all events, of the duties hitherto devolving on the Garrison Surgeon should be assigned to the Surgeon to the Governor, when resident in Madras. His Excellency the Governor assents to this arrangement.

2. The houses to the south of the Adyar should be included in the limits of the 4th District.
