Proceedings of the Madras Government, Public Department,

28th May 1867.

No. 181. Read the following letter from Colonel A. C. PEARS, Postmaster General, Madras, to the Under Secretary to Government, Fort Saint George; dated Ootacamund, 23rd May 1867, No. 79.

I have the honor to forward copy of a letter from the General Superintendent, Public Works' Workshop, No. 169 of the 10th instant, recommending that I should apply to Government for one of the American Rolling Printing Presses, for the purpose of printing docket forms for the use of this office. As such a Press fitted with the necessary plate would be a great advantage, I request that I may be furnished with one, if it can be spared.

From the General Superintendent of Public Works' Workshop, to the Postmaster General, Madras; dated Chepauk, 10th May 1867, No. 169.

With respect to your requisition, I beg to inform you that, after having inspected the mode of printing dockets for other departments, I have come to the conclusion that the one termed "American Rolling Printing Press" is the most suited for your purpose, and I would recommend that as there are four or five of this description at the Government Printing Press, Fort Saint George, one of which, I presume, you could obtain on making application to the Head of that Department, and I would then have it repaired, cleaned, and the permanent Printing plate furnished with movable types.

No. 182. ORDER THEREON, 28th May 1867, No. 594.

The Government sanction the transfer of one of the American Rolling Printing Presses from the Government Printing Establishment to the Postmaster General's Department. Colonel Pears will arrange for the repair and alteration which may be required, and for the removal of the Press to his office.

(True Extract).

Chief Secretary.

Postmaster's Office
Camp Ootacamund
23rd May 1867.

From
The Postmaster General
Madras
To The Under Secretary to Government
Public Deptt
Fort George

Sir,
I have the honor to forward copy of
a letter from the General Superintendent
Public Works Workshop No 169, of the
10th Instant, recommending that I should
apply to Government for one of the American
Rolling Printing Presses for the purpose
of printing Docket forms for the use of
this office. As such a Press fitted with
the necessary Plate, would be a great advan-
tage, I request that I may be furnished
with one if it can be spared.

Have the honor to be
Sir,
Yours most obedt Servt
A

There are 12 American Rolling
Mills in the Printing Establishment.
3 of these are no longer required
in the Govt. Office - and have been
out of use for some years.

one of them might with advantage
be transferred to the Post
Master General's Dept.

The value of such press is about
70. or 80. Rs. But if it be brain
fetched only it will not be
necessary to demand pay-
-ment.

— 28 May 1867 H² 594
The Government sanction the
transfer from the American
Litho Printing Presses from
the Gov. Printing Establishment
to the Post Master General's
Department. Col. Bair will
arrange for the repair, and
attention which may be required
and for the removal of the Press
from this Office.

The P. M. General } dep'd 31/5.
Inspector for Pres.
