*Proceedings of the Madras Government, Public Department,
29th May 1867.*

Read the following papers :—

No. 188. From the Treasurer, Monegar Choultry, to the Chief Secretary to Government, Fort Saint George dated Madras, 9th May 1867, No. 139.

I have the honor, by desire of the Directors of the Monegar Choultry, to bring to the notice of Government that, during his recent visit to Madras, the Vencatagherry Rajah announced his intention of establishing a Relief House for the poor of Madras, and of endowing this Institution with a lakh of Rupees, to be invested in Government Securities, the interest of this sum to be devoted to the maintenance of the poor.

2. The Rajah asked the Directors of the Monegar Choultry to administer this charity, and they gladly accepted the trust.

3. The Rajah himself selected a piece of ground, opposite the Monegar Choultry, as the site of the Choultry which he proposes to erect as a place of shelter to the recipients of his charity. This piece of ground was supposed to be municipal property; but it appears that this is not the case, and that the land belongs to Government.

4. I am directed, therefore, to solicit that the Government may be pleased to grant the site, shown in the accompanying plan, for the purpose of erecting a Choultry, which is to bear the name of "The Vencatagherry Rajah's Chuttrum."

5. The Municipal Commissioners in their proceedings, in which they requested the Directors of the Monegar Choultry that the land required was the property of Government, state that they see no objection to its being employed as a site for the proposed building.

Referred to the Collector of Madras, who will report whether there is any objection to the site in question being made over to the Directors of the Monegar Choultry.

FORT SAINT GEORGE,
10th May 1867.

(Signed) A. J. ARBUTHNOT,
Chief Secretary.

No. 189. From the Acting Sub-Collector in charge, Madras District, to the Chief Secretary to Government, Fort Saint George; dated Sydapet, 23rd May 1867, No. 99.

With reference to your endorsement of the 10th instant, on a letter by the Treasurer of the Monegar Choultry, I have the honor to state that the ground required for the construction of the Vencatagherry Rajah's Choultry forms a portion of the North Esplanade, and belongs to Government. I see no objection whatever to its being made over to the Directors of the Monegar Choultry.

No. 190. ORDER THEREON, 29th May 1867, No. 599.

The land applied for in the foregoing letter being the property of Government, His Excellency the Governor in Council is pleased to direct that it be made over to the Directors of the Monegar Choultry, for the purpose of erecting a Relief House for the poor of Madras.
