No. 186. Read the following letter from the President of the Municipal Commission, Cuddalore, to the Acting Chief Secretary to Government, Fort Saint George; dated Cuddalore, 13th August 1867, No. 46.

I have the honor to submit the name of Streelamacumbi Desika Achary as a Municipal Commissioner for the town of Cuddalore, in lieu of Mootosawmy Moodelly.

2. It is with reluctance that I make this proposal, but the utter disregard of his duties as Commissioner by Mootosawmy Moodelly ever since the establishment of the Municipality, and his apparent want of interest in municipal affairs, leave me no alternative.

3. Mootosawmy has attended only three bi-monthly Meetings since November 1866, and he has only attended two of the Appeal Committee Meetings appointed under Section 69 of the Act, although he has only been nominated to serve in alternate weeks. The very serious inconvenience thus occasioned to the public, and as well as to the other Commissioners, requires no comment.

4. Some time ago, I thought to remove Mootosawmy Moodelly, consequent on his neglect of his municipal duties, but I was unwilling to do so as he is a man of some influence and status in Cuddalore; I, therefore, wrote to him, and I beg to enclose copy of my Memorandum, and of his answer, for the information of Government; and, although since then the Municipal Office has for the time been removed to New Town, close to Mootosawmy's residence, he has taken no share in the work, nor has he been present at any of the bi-monthly Meetings. This want of co-operation and interest in municipal affairs sufficiently evidences the unfitness of Mootosawmy to be continued in the post of Commissioner, and fully justifies my recommending that his name be removed; and, accordingly, I request that Government will sanction my nomination of Desika Achary in his stead, who is a highly respectable man, well acquainted with English, and holds the position of a Vakeel or Pleader in the Zillah Court.

No. 233.

OFFICIAL MEMORANDUM.

The Magistrate of South Arcot desires to ascertain from M. Mootosawmy Moodelly if it is his wish to be nominated as one of the Town Commissioners. It is observed that, during the past six months, Mootosawmy Moodelly has attended only three of the bi-monthly Meetings, and he has only twice attended the Appeal Meetings appointed under the Act since the 8th March. Of course, if all the Commissioners are equally indifferent to the working of the Act, and evidenced as little zeal and interest in the duties of a Commissioner, the Law would simply be inoperative and the Municipal Office might close. The Magistrate has no wish to exclude Mootosawmy Moodelly from the Commission, but if he wish to remain on it, it will be an understood condition of his nomination that he fulfil the functions of a Commissioner better than he has done, and that he do attend the Meetings and Appeal Committees more frequently, and with greater punctuality than heretofore. On the other hand, should Mootosawmy Moodelly wish no longer to serve, he will be good enough to send in his resignation at once, as the Magistrate is on the eve of submitting to Government a fresh list of Commissioners for the official year 1867-68, as required by the Act. An early acknowledgment of this is requested.

(Signed) C. W. READE,

Cuddalore, 18th May 1867.

Magistrate.

From S. MOOTOOSAWMY MOODELLY, Municipal Commissioner for the Town of Cuddalore, to the Magistrate of South Arcot; dated Munjacoopum, 25th May 1867, No. 278.

good health. I am, in consequence, undergoing a course of medical treatment, and have to continue it for some time longer. I am very thankful indeed for your kind expressions to retain my services in the Commission. While I am glad to serve as a Commissioner for the ensuing year, I beg, in consideration of my health, to be allowed for some time to attend to the Meetings as my health would permit me to do so. But, in the event of this not meeting with your approval, I beg you will be kindly pleased to accept of my resignation.

Official Minutes

the duties of a Commissioner,
the law would simply be
inoperative and the municipal
policy might stand still.
