No. 195. From P. GRANT, Esq., President of the Municipal Commissions, Coimbatore District, to the Chief Secretary to Government, Fort Saint George; dated Ootacamund, 29th May 1867, No. 41.

I have the honor to forward Extract of Minutes of a Meeting of the Ootacamund Municipal Commissioners held on the 22nd instant, and to request that you will obtain the sanction of Government to the imposition of the rates of taxes and fees proposed under the various heads alluded to of the Towns' Improvement Act for the half-year ending 31st October 1867.

EXTRACT of Minutes of a special Meeting of the Ootacamund Municipal Commissioners, held on the 22nd of May 1867.

Resolved that, with the approval of the Governor in Council, rates on houses, buildings, and lands be levied at 5 per cent. per annum on the annual value thereof, under Sections 38 to 44; taxes on arts, professions, trades, and callings, under Sections 46 to 49; taxes on carriages, horses, and other animals kept within the town, under Sections 58 to 64; and fees for registration of carts and other wheeled vehicles without springs, under Sections 66 to 68 of the Towns' Improvement Act (Madras Act X of 1865), for the half-year ending 31st October 1867.

No. 196. From P. GRANT, Esq., President of the Municipal Commissions, Coimbatore District, to the Chief Secretary to Government, Fort Saint George; dated Ootacamund, 8th June 1867, No. 50.

In accordance with Sections 27 and 31, Act X of 1865, I have the honor to forward, for the sanction of the Governor in Council, estimates showing the receipts and expenditure which it is proposed by the Commissioners of the Coimbatore, Coonoor, and Ootacamund Municipalities to incur in their respective Municipalities in the year 1867-68, commencing with the 1st day of May, and the items in respect of which it is proposed to make such expenditure.

2. It will appear that in the estimate received from the Ootacamund Municipal Commissioners, no provision is made for the contribution of Government, and that the receipts of, and expenditure from, market tolls are shown separately, instead of being included in the aggregate amounts of receipts and expenditure. In the estimates of the Coimbatore and Coonoor Municipalities, the 25 per cent. contributions of Government have been calculated on the aggregate receipts instead of on the expenditure. The following memorandum shows the probable receipts and expenditure as it strikes me they should be entered.

To the President of the Municipal Commissions, Coimbatore.

27th August 1867.

No. 197. From P. GRANT, Esq., President of the Municipal Commissions, Coimbatore District, to the Acting Chief Secretary to Government, Fort Saint George; dated Coimbatore, 9th August 1867, No. 57.

With reference to the Acting Under Secretary's Official Memorandum, No. 176, dated 19th June last, requesting me to submit a detailed statement of the estimated cost of Police charges for Coimbatore, as it was observed that there was a slight decrease in the estimated cost submitted with my letter, No. 50, dated 8th idem, from the amount sanctioned for last year, I have the honor to state that I do not observe any such decrease. The amount originally estimated at the formation of the Commission was Rupees 7324 (*vide* Proceedings of Government, dated 4th October 1866). From Proceedings of Government, dated 20th and 27th November 1866, which sanction the estimated incomes and expenditures for the then current half-year, it will be further observed that the Police charge for that period is given as Rupees 3662, or exactly half the original estimate aforesaid. In the estimate submitted by me for 1867-68, the same amount as was originally estimated, viz., Rupees 7324, has been entered.

2. As requested in the Memorandum under reply, I submit, herewith, a statement of actual receipts and expenditure during the half-year ending the 30th April 1867.

3. As regards the appointment of Commissioners, I beg to propose the re-appointment of the following Commissioners, viz:—

1. Charles Arthur Galton, Esq., Acting Head Assistant Magistrate.
2. Brevet Captain Andrew Balmer, Superintendent of Police.

In accordance with sections 27 and 31 Act of 1865 I have the honor to forward for the sanction of the Governor in Council Estimates showing the receipts and expenditure, which it is proposed by the Commissioners of the Coimbatore Coonoor and Ootacamund Municipalities to incur in their respective Municipalities in the year 1867/68 commencing with the 1st day of May, and the items in respect of which it is proposed to make such expenditures.

2. It will appear that in the Estimate received from the Ootacamund Municipal Commissioners, no provision is made for the contribution of Government, and that the receipts of and expenditure from market Tolls are shown separately instead of being included in the aggregate amounts of receipts and expenditure. In the Estimates of the Coimbatore and Coonoor Municipalities the 25 percent contributions of Government have been calculated on the aggregate receipts
