*Proceedings of the Madras Government, Public Works Department,
21st January 1867.*

No. 394. Read the following letter from the Magistrate of South Arcot, Cuddalore, to the Chief Secretary to Government, Fort Saint George, dated Cuddalore, 12th December 1866, No. 67:—

On behalf of the Municipal Commissioners of the Town of Cuddalore, I desire to learn from Government what roads within Municipal limits they are in future to undertake the repair and control of. There are only two Trunk or Imperial lines, so to designate them, one running north and south along the coast, and the other from east to west towards Salem. My own opinion is that such portion of these two lines as cross the Municipal limits should continue as heretofore under the charge of the Public Works Department, and that all other roads intersecting the Municipality should be under the management and control of the Commissioners. I request the orders of Government on this point, to enable me at once to make the required arrangements with the Engineer Officer of the Range, and to prevent all misunderstanding.

Referred to the Public Works Department.

(Signed) A. J. ARBUTHNOT,
Chief Secretary.

FORT SAINT GEORGE,
8th January 1867.

No. 395. ORDER THEREON, 21st January 1867, No. 193.

CIVIL WORKS, No. 84.

The Government concur with the Magistrate of South Arcot in considering that the portions of the Trunk lines referred to which lie within the limits of the Municipality should continue under the charge of the Public Works Department, and be maintained at the public cost, and that all the other roads within those limits should be under the control of the Commissioners and be kept in repair from Municipal funds.
