*Proceedings of the Madras Government, Public Department,
3rd September 1867.*

No. 11. Read the following letter from Messrs. ASSEY and Co., Minerva Press, Black Town, to the Chief Secretary to Government, Fort Saint George; dated Madras, 22nd August 1867.

Understanding that Government gave, and are giving, some works to several individuals in the printing line, we beg most humbly and respectfully to tender our services for a portion of the same.

2. Carrying on, as we do, this line of business, we have no hesitation in observing that no endeavours shall be spared in executing any quantity or quality of work which Government may be pleased to vouchsafe to us.

3. Irrespective of the advantage which Government may gain in giving works of this sort, we might assuredly add that, if a portion be given to us, we will (as we are now supplied with a large quantity of new types) render every satisfaction in our present trade, notwithstanding which we are prepared to allow a discount of ten per cent. for the benefit of Government.

4. We feel assured that no other parties have shown this advantage to Government, and, therefore, we solicit you will kindly use your influence in our regard, and obtain their sanction in giving us a portion of the work conceded to others.

No. 12. ORDER THEREON, 3rd September 1867, No. 1075.

Messrs. Assey and Co. are informed that there is at present no work in the Government Printing Office which can be given to their Press.
