*Proceedings of the Madras Government, Public Department,
5th September 1867.*

No. 52. Read the following letter from the President of the Municipal Commission, Cocanada, to the Acting Chief Secretary to Government, Fort Saint George; dated Cocanada, 24th August 1867, No. 30.

With reference to Section 127 of the Towns' Improvement Act, and the accompanying plan, being transcript of a portion of a large plan of the ground within the municipal limits of Cocanada on the scale thereon noted, I have the honor to draw the attention of Government to the spot marked A, and to request sanction for the entire removal of these huts, after payment of reasonable compensation to the occupants, and providing them with sites in an unobjectionable locality to build new huts on.

2. The huts are now occupied by fishermen, and are huddled together so irregularly and closely as to render it absolutely impossible to keep the spot clean or drain it, and proper ventilation is impossible. They are a positive nuisance to the neighbourhood from the filthy habits of the dwellers in them.

3. To render it possible to have this spot kept clean and properly ventilated, for which purpose two straight passages at right angles to each other must be opened out, would remove at least half the huts. I, therefore, think it would be better to remove the whole at once and sell the site, which is public property, to any one inclined to erect a house or godown on it, such as would not be a nuisance to the neighbourhood.

No. 53. ORDER THEREON, 5th September 1867, No. 1093.

Under the provisions of Section 127 of the "Towns' Improvement Act, 1865," the Governor in Council sanctions the removal of the block of huts situated on a piece of land between the houses of Messrs. LeFaucheur and Linares in the Municipality of the Town of Cocanada, on reasonable compensation being made to the owners of the huts, and sites being provided for the re-erection of the huts in an unobjectionable locality, convenient for the exercise of the profession of the persons dispossessed.

Acting Chief Secretary.

To the President of the Municipal Commission for the Town of Cocanada, with Plan.
