*Proceedings of the Madras Government, Public Department,
13th September 1867.*

No. 127. Read the following letter from the Collector of the Godavery District, to the Acting Chief Secretary to Government, Fort Saint George; dated Cocanada, 28th August 1867, No. 16.

In reply to Government Proceedings, Public Department, and the Order thereon, No. 1008, of 16th instant, I beg to state that it would doubtless be cheaper to employ convict than cooly labor, in the removal of the prickly-pear here.

2. But there is no building at Cocanada available and fitted for the accommodation and safe custody of even a small party of convicts while so employed.

No. 128. ORDER THEREON, 13th September 1867, No. 1141.

Under the circumstances stated in the foregoing letter, the Governor in Council sanctions the estimated outlay of Rupees (1499-10-0) one thousand four hundred and ninety-nine, and Annas ten, for eradicating the prickly-pear on Government lands within the Municipal limits of Cocanada.

2. One half of the prickly-pear will be cleared away this year, and the other half next year.
