No. 1154.

To

THE UNDER SECRETARY OF STATE FOR INDIA.

SIR,

With reference to my letter, dated the 25th January 1866, No. 73, I am directed
by the Governor in Council to transmit
the annexed copy of a letter from the

Dated 10th September 1867, No. 159.

Inspector General of Ordnance and Magazines, bringing to notice the difference
between the paper indented for and that received by the Superintendent of
Stationery ("Thin Blue Wove Post" having been sent, in lieu of "Thin Quarto
Post"), and the effect which such difference has on the Budget Estimate of the
Stationery Department.

I have the honor to be,

Sir,

Your most obedient Servant,

FORT SAINT GEORGE,
10th September 1867.

Chief Secretary.

From the Inspector General of Ordnance and Magazines, to the Chief Secretary
to Government, Fort Saint George; dated Fort Saint George, 10th
September 1867, No. 159.

Ordnance Department.

I have the honor to state that the Superintendent of Stationery has brought to
notice that he has received ex *Queen of the North* and *Roxburgh Castle* 200 Reams
of "Thin Blue Wove Post" 14 lbs., in lieu of "Thin Quarto Post" paper, included
in his general Indent on the Home Authorities, No. 51, dated 6th January 1866.

2. Public Departments will not be inconvenienced by Folio Post being sup-
plied instead of Quarto, as the former can be easily reduced by Office Moochies to
the size of the latter; but my object in bringing the circumstance to notice is
because a more expensive article has been sent out than was asked for by the
Superintendent of Stationery, whose Budget Estimate must necessarily be affected
by such differences between his Indents and the supplies made thereon.
