Proceedings of the Madras Government, Public Department,

21st September 1867.

Read the following papers :—

No. 175. From H. G. SMITH, Esq., President of the Municipal Commission, Cuddapah, to the Chief Secretary to Government, Fort Saint George; dated Cuddapah, 4th September 1867, No. 143.

I have the honor to submit, for the approval of His Excellency the Governor in Council, a Resolution passed by the Municipal Commissioners, at a General Meeting held on the 2nd instant, to the effect of reducing the present strength of the Municipal Police to the following standard, from 1st October next:—

1	4th Class Inspector,	at	Rupees 85	per mensem.
3	Head Constables,	at	„ 22	each per mensem
2	Deputy do.	at	„ 12½	„ „
12	1st Class Constables,	at	„ 8	„ „
24	2nd Class do.	at	„ 7	„ „

2. I fully concur with them as to the advisability and expediency of decreasing the present number of Police: for, at present, the expense is exceedingly large and bears heavily on the rate-payers, our payment being nearly Rupees 800 a month—the area of the Municipality being two square miles, and there is one Police Officer to every 270 people; whereas, I am given to believe, there are only one to every 1300 in Tinnevely. I cannot, however, think the census is right, but still there is not such an enormous difference.

3. I, therefore, have the honor to request that the sanction of the Right Honorable the Governor in Council be obtained for the reduction of the Force from the 1st proximo, and that the municipal payments be reduced at the same time.

Referred to the Inspector General of Police, for his remarks.

With reference to the letter of the President of the Municipality of Cuddapah

No. 143, dated 4th September 1867.

noted in the margin, I have the honor to submit a revised estimate for Police for the town of Cuddapah, prepared with due regard to the sanctioned relative grades of the required Force, and supplemented with other charges not noticed in that letter. It is slightly in excess of Mr. Smith's proposal, as these matters had been lost sight of.

2. I had suggested to Mr. Smith a reduction of the Force in Cuddapah last year, but he then considered that it would be premature. I think that the alternative may be adopted.
