*Proceedings of the Madras Government, Public Department,
21st September 1867.*

No. 177. Read the following (Circular) letter from the Secretary to the Government of India, to the Chief Secretary to Government, Fort Saint George; dated Simla, 29th August 1867, No. ⁵⁸/₄₀₄₁.

Home Department.

I am directed to request that quarterly lists may be prepared and submitted to the Government of India of all Uncovenanted Medical Officers in charge of civil stations, showing their standing and the pay they are entitled to draw in accordance with the scale of salaries fixed in the Notification of the Financial Department, No. 2295, dated the 25th April last.

2. These lists, I am to state, should be framed on the principle that all classes of Uncovenanted Medical Officers in charge of stations, including those who are, or have been, members of the Subordinate Medical Department, benefit by the advantages of the new scale of salaries. In the case of Officers of the Subordinate Medical Department, the new scale is to be applied to them with effect from the date on which they may have been, or may be hereafter, placed in permanent civil medical charge of a station.

3. The Governor General in Council desires me to say that the Officers included in these lists must never be employed otherwise than in medical charge of civil stations, without the special sanction of the Government of India in this Department being obtained in each case. If, in the event of any emergency, an Uncovenanted Medical Officer should be otherwise employed temporarily under the authority of the Local Government, the case should be reported to the Government of India, for approval or otherwise, and the employment must cease with the emergency.

4. A question has recently been raised, whether the service of a member of the Subordinate Medical Department *in charge of a regiment* should, on such an Officer being afterwards placed in a civil charge, be allowed to reckon towards promotion in these lists. The solution of this question, however, will depend on the scale of pay which may eventually be fixed for members of the Subordinate Medical Department when holding regimental charges, and it may, for the present, therefore, be put out of sight in framing the lists. If allowed hereafter, the salaries can be retrospectively adjusted.

No. 178. ORDER THEREON, 21st September 1867, No. 1170.

A copy of the foregoing letter will be furnished to the Inspector General, Medical Department, with a request that he will submit, for transmission to the Government of India, quarterly lists of all Uncovenanted Medical Officers in charge of civil stations, framed on the principle therein laid down.

2. The Inspector General will keep in view the orders conveyed in paragraph 3 of the letter.
