Proceedings of the Madras Government, Public Department,
21st September 1867.

No. 179. Read the following letter from the President of the Municipal Commission, Mangalore, to the Acting Chief Secretary to Government, Fort Saint George ; dated Mangalore, 5th September 1867, No. 8.

The Commissioners having, at a Meeting held on the 13th ultimo, resolved to purchase 4 Fire Engines, ordered a year ago by the then President, Mr. Cadell, for the use of the Town of Mangalore, and already imported by the Agents as commissioned, I have the honor, under Section 29 of the Towns' Improvement Act, No. X of 1865, to request the sanction of the Governor in Council to raise, for the purpose, a sum of Rupees 2142, by doubling the tax on thatched houses.

2. A large number of houses in this Municipality are thatched, and, consequently, destruction of valuable property by fire is not of unfrequent occurrence during the dry season. It has, therefore, been considered desirable that the cost of the Engines should be borne by those for whose exclusive benefit they were ordered.

3. The money is proposed to be raised for the present by a loan, to be liquidated within a period of 2 years, at an interest not exceeding 12 per cent. per annum.

No. 180. ORDER THEREON, 21st September 1867, No. 1171.

The Governor in Council cannot sanction the raising a loan, under the provisions of Act X of 1865, for the purchase of a fire engine, which is clearly not one of the permanent works contemplated by Section 77 of that Act.
