No. 219. From the Inspector General, Indian Medical Department, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George; 4th September 1867, No. 346.

The Deputy Inspector General, Indian Medical Department, Presidency Division, having brought to my notice that, in the distribution of Medical duties at the Presidency, sanctioned by Government in Notification in the *Fort Saint George Gazette* of 4th June 1867, page 1290, no provision has been made for the Medical charge of the Body Guard during the absence on duty of the Surgeon to His Excellency the Governor, I have the honor to request that, in order to avoid repeated references to Government, some permanent arrangement may be sanctioned for this purpose.

2. I beg to suggest that the duty be performed by the Surgeon of the 3rd District; and that he be permitted to draw head money for the charge.

Referred to the Examiner of Claims.

MEMORANDUM.

The undersigned has the honor to state that it appears to him that, during the absence on duty of the Surgeon to His Excellency the Governor, the Surgeon in charge of the Body Guard is clearly entitled to some remuneration from Government for the extra duties thus devolving upon him. Head money, as proposed by the Inspector General, cannot be given, as it is no longer admissible under Government of India letter recorded in Proceedings of Government, 5th January 1866, No. 34, Military Department; but it seems to the Examiner of Claims that Rupees 75 per mensem might be granted, that being the sum allotted in Schedule attached to G. O. G. G., No. 370, under the head "allowances for additional charges", for "Medical charge of an extra Wing of a Native Regiment, or of a Detachment consisting numerically of not less than a Wing." If Government are pleased to approve of this, their Proceedings should be reported for confirmation by the Government of India.

21st September 1867.

(Signed) W. DONALD,
Examiner of Claims.

To the Chief Secretary to Government, Fort Saint George.

No. 220. ORDER THEREON, 30th September 1867, No. 1204.

Under the circumstances represented in the foregoing papers, the Governor in Council directs that, subject to the confirmation of the Government of India, the Medical Officer in charge of the Body Guard, during the absence on duty of the Surgeon to His Excellency the Governor, shall draw an allowance of Rupees 75 per mensem, as provided for the Medical charge of the Wing of a Native Regiment in the Schedule annexed to G. O. G. G., No. 370 of 1867.
