Proceedings of the Madras Government, Public Department,

2nd October 1867.

No. 10. Read the following letter from the Secretary to the Committee for the Examination of Assistants, to the Chief Secretary to Government, Fort Saint George; dated Madras, 25th September 1867, No. 524.

I am directed by the Committee for the Examination of Assistants to request instructions from Government as to the time which may be allowed to Mr. Maclean to qualify himself for honors and the Major Reward in Tamil.

2. Mr. Maclean arrived in the country on the 19th December 1865, and passed in his second language on the 18th August 1866. He was then permitted to read for honors in Telugu, and according to the rules he would have been required to pass on or before the 19th February 1867, but the Government found it necessary to employ him in the Educational Department from the 17th October 1866 to the 10th January 1867. He was, of course, allowed an additional $2\frac{3}{4}$ months on this account, and by G. O., 6th June 1867, No. 625, the Government granted him a further extension of time until the end of July, when he passed.

3. The Committee then permitted him to read for honors in Tamil. The 20 months from date of landing allowed for obtaining the Major Reward in a second language, *plus* the $2\frac{3}{4}$ months during which Mr. Maclean was employed in the Educational Department, will expire in November; but Mr. Maclean has addressed the Committee, urging that that allowance should be made for the time taken up by him in travelling to and from the station at which he was temporarily employed, &c.

4. The Committee recommend that Mr. Maclean be allowed to appear for examination in the third week of December, the time of the ordinary Quarterly examination.

No. 11. ORDER THEREON, 2nd October 1867, No. 1222.

The Governor in Council approves and sanctions the recommendation made in the foregoing letter.
