Proceedings of the Madras Government, Public Department,
11th October 1867.

No. 114. Read the following letter from the President of the Municipal Commission, Salem, to the Chief Secretary to Government, Fort Saint George ; dated Salem, 30th September 1867, No. 51.

With reference to Order of Government, No. 1085, dated 3rd September 1867, I have the honor to offer the following explanation :—

1st.—The amount payable on account of Police for the year ending 30th April 1867 was Rupees 4005-8-0, and this amount was actually paid ; but portion of it, namely, Rupees 1335-2-8 was, from deficiency of funds, not paid till 16th May 1867. The account submitted with my letter of 23rd ultimo shows the amount actually expended up to 30th April 1867. The item of Rupees 1335-3-8 is not, therefore, exhibited therein.

2ndly.—The slight difference in the estimated amount of Police charges for the year 1867-68, as submitted with my letters of 20th and 29th May 1867, arose from clerical errors. The correct amount is that submitted with my letter of 29th May 1867, as will be seen in the detailed estimate forwarded by the Superintendent of Police.

3rdly.—In explanation of the difference of the estimated amount of Police charges for the current year from that of the past, I have enclosed a letter from the Superintendent of Police.

2. The Superintendent of Police having submitted a supplemental estimate, it is herewith forwarded for the sanction of Government.

From the Superintendent of Police, Salem, to the President of the Municipal Commission, Salem ; dated Salem, 21st September 1867, No. 423.

In reply to your letter, No. 49, dated 12th September 1867, I have the honor to inform you that the diminution in the estimated amount of Police charges of Salem town for the current official year 1867-68, as compared with that for the last year, has been caused in a measure by

Vide enclosures A and B. the reduced rates of clothing and accoutrements during the present year.

2. I now submit a supplemental estimate of two important distinct charges which were omitted in the original estimate forwarded on the 16th April 1867.

3. From the amount of this supplemental estimate, the sum of Rupees 84, shown in the original estimate for contingencies, has to be deducted.

4. You would observe that the total of both the estimates (original and supplemental†)

†Amount of the original estimate, after deducting Rupees 84, shown for contingencies.....	7634	11	6
Amount of supplemental estimate.....	556	3	2

comes to Rupees 8190-14-8, showing an excess of Rupees 179-14-8 over the last year's estimated amount of 8011 Rupees. This excess has been entirely caused by the new item of house-rent which had not to be provided for in the last year's estimate.

No. 115. ORDER THEREON, 11th October, 1867, No. 1265.

The explanation afforded in the 2nd paragraph of the above letter, with reference to the difference between the actual and the estimated Police charges noticed in the Proceedings of Government of the 3rd September last, is accepted.

2. It appears that the estimated Police charges for 1867-68 were rightly given in the President's letter of the 29th May last as Rupees 7718-11-6, but that, owing to certain alterations in the rules for providing clothing and accoutrements for the Police, and for the extra charges shown in the supplemental estimate submitted by the Superintendent of Police, the Police charges for 1867-68 to be paid by the Municipality will be Rupees 8190-14-8.

Proceedings of the Madras Government, Public Department,
11th October 1867.

3. These alterations necessitate the publication of the following—
NOTIFICATION.

Fort Saint George, 11th October 1867.

With reference to the Notification of the 3rd September last, published in the Fort Saint George Gazette of the 6th idem, the Governor in Council, under the provisions of Sections 26 and 27 of the Towns' Improvement Act, determines and directs that the total amount to be raised and expended in the town of Salem, during the year ending on the 30th April 1868, shall be Rupees 29,075-14-8, and not Rupees 28,610-11-6, as specified in the former Notification, the Government contributing 25 per cent. on the amount now sanctioned, or Rupees 7268-15-8, towards the Municipal Fund.

Sir

In reply to your letter N^o 49.
dated 12th September 1867 I have the honor to inform
you that the diminution in the estimate of
amount of Police charges of Salem for the
current official year 1867-68, as compared with
that for the last year has been caused in a
measure by the reduced rates of clothing and
— accoutrements during the present year.
I now submit a Supplemental estimate
of two important distinct charges which were
omitted in the original estimate forwarded
on the 16th April 1867.
From the amount of this Supplemental
estimate the sum of Rs 84 .. shown in the
original estimate for contingencies has to be
deducted.

4 You would observe that the total of both

the estimates (original and Supplemental)
 comes to Rs 8190-14-8 showing an excess
 of Rs 179-14-8. over the last years estimated
 amount of 8011 Rs. This excess has been
~~caused~~ entirely caused by the new item of
 House-rent, which had not been provided

To
The Chief Secretary to
Government

Sir,

With reference to order of Government
No 1085 dated 3rd September 1867 I have the honor
to offer the following explanation.

1st The amount payable in case
of police for the year ending 30th April 1867 was Rs 2005.
But a portion of it, namely, Rs 1335.2.8 was
from deficiency of funds not paid till 16th May 1867.
The account submitted with my letter of 23rd ult
shows the amount actually expended up to 30th April
1867. The item of 1335.2.8 is not therefore exhibited
therein.

2nd The slight difference in the
estimated amount of Police charges for the year
67-68 as submitted with my letters of 20th and 29th
May 1867 arose from clerical error. The correct
amount is that submitted with my letter of

Public Sep 17/87

Letter from the President of the Municipal Commission
dated 30th September 1867. No. 51.

Order Mercur - 11 October 1867. No. 1265

The explanation afforded in the 2nd paragraph of the above letter with reference to the difference between the actual and the estimated Police charges noticed in the Proceedings of Government of the 3rd September last is accepted.

2. It appears that the estimated Police charges for 1867. 68 were rightly given in the President's letter of the 29th May last as Rs 7718. 11. 6, but that owing to certain alterations in the rules for providing clothing and accoutrements for the Police, and for the extra charges shown in the Supplemental estimate submitted by the Superintendent of Police, the Police charges for 1867. 68, ~~to be paid by the Municipality~~ ~~of Police~~ will be Rs 8190. 14. 8.
