No. 149. Read the following letter from the President of the Committee on European Vagrancy, to the Chief Secretary to Government, Fort Saint George; dated Madras, 10th October 1867.

I am requested by the Committee on European Vagrancy to represent, for the consideration of Government, that steps are being taken for the temporary relief of Vagrants, pending the decision of the Legislature on the general question, and that if the Government see fit to assign a grant in aid of this object, as was done in Bombay, the Committee will probably have it in their power not only to put a stop to mendicancy by this class of persons, but also to arrange for the deportation by sea to England or elsewhere of those who are willing to go and to work while on board-ship.

No. 150. ORDER THEREON, 15th October 1867, No. 1275.

The Governor in Council directs that the sum of Rupees (1000) one thousand be placed at the disposal of the Committee on European Vagrancy as a grant in aid of the funds which they are raising for the temporary relief of European Vagrants.
