*Proceedings of the Madras Government, Public Department,
6th February 1867.*

No. 25. Read the following letter from the Examiner of Claims, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 25th January 1867, No. 73.

I have the honor, with reference to Government Order, No. 61, dated 15th instant, Public Department, by direction of the Accountant General, respectfully to bring to the notice of the Right Honorable the Governor in Council that the grant of any allowance to Assistant Surgeon G. Bidie, for the charge of the Lunatic Asylum, requires to be confirmed by the Government of India, if not by the Secretary of State, for the reasons stated below, and that I can accordingly only admit Mr. Bidie's claim to staff salary as Superintendent of the Lunatic Asylum, subject to adjustment should that confirmation be withheld.

2. The allowance of Rupees 125 a month drawn by Mr. Mason was granted as a *personal allowance* to that Officer by the Secretary of State, as the terms of the Despatch conferring it plainly show, and an Officer while acting for one who draws an allowance of this nature is not entitled to the portion thereof which may be forfeited by the absentee. The allowance drawn by an acting incumbent is a certain proportion of the permanent *salary* of the appointment.

3. The appointment of Superintendent, Lunatic Asylum, had, till now, no salary attached to it; it is entered in the Pay and Audit Regulations, Page 302, as a "dependent duty" of the Medical Store keeper, and even when that Asylum was made an independent charge, under Mr. Mason's care, that Officer, until the Secretary of State sanctioned the personal allowance abovementioned, received, in virtue thereof, no civil salary, but drew from the Civil Department only his pay and allowance of rank, and the special personal allowance granted to him by the Secretary of State in 1858.

4. Government concurred* in the views regarding the appointment in question expressed by me last year, and which are

* Proceedings of Government, 7th July 1866, No. 636, identical with those above stated. I
Public Department. have the honor, therefore, respectfully to

request that Government will seek the confirmation required.

5. I may add, moreover, that Mr. Bidie will not benefit pecuniarily by the appointment being made a salaried one; he will, in fact, lose by it, as he will receive, as Professor of Botany, only Rupees 150, instead of Rupees 300 per mensem, under the rule laid down in Clause 8, paragraph 4, Section 14, of the Pay and Audit Regulations.

6. Mr. Bidie's pay and allowances of rank will, if this appointment is a salaried one, be a charge against the Lunatic Asylum, under "Medical Services," instead of against Colleges, under "Education, Science, and Art."

No. 26. ORDER THEREON, 6th February 1867, No. 127.

An application will be made to the Government of India to sanction the disbursement to the Superintendent of the Lunatic Asylum of the allowance of Rupees 125 per mensem drawn by the late Honorary Assistant Surgeon Mason, and without prejudice to his salary as a Professor of the Medical College, when the appointment

of Superintendent of the Lunatic Asylum may be held, as at present, by one of the Professors of the Medical College.

2. The Examiner of Claims will pass to Dr. Bidie the allowance in question, and also his full salary as a Professor of the Medical College, subject to the orders of the Supreme Government.
