Proceedings of the Madras Government, Public Department,
18th October 1867.

No. 192. Read the following letter from the President of the Municipal Commissions, Coimbatore, to the Chief Secretary to Government, Fort Saint George ; dated Coimbatore, 10th October 1867, No. 94.

I have received Proceedings of Government, dated 25th ultimo, No. 1191.

2. As directed in paragraph 2 thereof, I have the honor to report that the Coonoor Municipal Commissioners have provided three latrines in Coonoor for the use of the public. Two more will, it is said, be ready by the 20th November next. Their respective situations are given in the enclosed letter, No. 134, of the 1st instant, from the Vice-President of the Coonoor Municipal Commission.

3. The Joint Magistrate of Wellington reports that parties found committing nuisances have always been prosecuted ; but he complains of the difficulty of catching the offenders in the act, owing to the thickness of the jungle. I have, however, on the receipt of the Government Order under reply, written to the Superintending Engineer on the subject of cutting down the underwood on the sides of the ghauts.

From the Vice-President, to the President, Coonoor Municipal Commission ; dated Coonoor, 5th October 1867, No. 134.

In reply to your letter of the 5th October 1867, I have the honor to state three latrines are in use, situated as follows :—

1. In the bend of the river opposite the market.
2. Close to the bazaar.
3. At back of Gray's Hotel.

Two more are to be finished by the 20th November 1867 :—

1. Close to the junction of the ghaut roads.
2. Close to the Pagodah.

Those in use at present may be a little distant from some houses, but not sufficiently so to afford any excuse for their inhabitants committing nuisance in their neighbourhood.

No. 193. ORDER THEREON, 18th October 1867, No. 1298.

To be recorded.
