Read the following correspondence :—

Letter, No. 528, dated 20th June 1867, forwarding a copy of Proceedings of the Government of Fort Saint George, dated 14th June, in which it is ruled that the General Superintendent of Vaccination is entitled to retain, during absence on tour in the interior of the Presidency, the house-rent which is admissible to him at the Presidency under Financial Notification, No. 2294, dated 25th April 1867.

Endorsement to the Military Department's No. 1553, dated 22nd July 1867, inquiring whether, under the rules of that Department, house-rent would be continued in a similar case during temporary absence from the Presidency.

Military Department's reply, No. 400, dated 23rd August 1867, stating that, under existing rule, Presidency house-rent is given to an Officer whilst at the Presidency; but that as Officers cannot give up and re-engage houses at short notice, it is expedient to continue the house-rent during temporary absence, unless the period of absence exceeds two months, exclusive of the months of departure and return.

RESOLUTION.—The Governor General in Council sanctions the modification of existing rule which is proposed by the Military Department, but on the understanding that house-rent under the modified rule shall be continued only to those Officers in receipt of the allowance who may certify that their previous rate of expenditure for a house at the Presidency continued during their temporary absence on duty.

2. The allowance of house-rent to the General Superintendent of Vaccination, Madras, should be regulated by this rule in future.

ORDERED that a copy of this resolution be sent to the Home, Military, and Public Works Departments; the Comptroller General of Accounts; the several Accountants General, and to the Deputy Accountants General in independent charge.
