Proceedings of the Madras Government, Public Department,
29th October 1867.

No. 269. Read the following letter from the Inspector General, Indian Medical Department, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 22nd October 1867, No. 408.

The Examiner of Claims having declined to audit the accompanying bill,* for three belts for Peons in the Vaccine Department, without the special sanction of Government, I have the honor to

* For Rupees 18.

solicit that Government may be pleased to authorize the charge being passed.

2. It is very desirable that Peons of the Vaccine Department should be furnished with belts, which give the men some weight in the eyes of the people, and enable them materially to assist the work of the Vaccinators in the Districts. Sufficient funds have been provided in the Vaccine Budget to meet the contingency.

3. I consider it unnecessary to trouble Government with all the correspondence that has passed between the Examiner of Claims, the Superintendent General of Vaccination, and this office, unless Government should desire to be furnished with it.
