*Proceedings of the Madras Government, Public Department,
30th October 1867.*

No. 273. Read the following letter from Assistant Surgeon G. BIDIE, M. B., to the Chief Secretary to Government, Fort Saint George ; dated Madras, 27th October 1867.

I have the honor, with reference to G. O., Public Department, No. 1311, dated 22nd October 1867, to submit the following request, and trust it will meet with the favorable consideration of Government. When Dr. Cornish proceeded to England on sick certificate, I was nominated, by the votes of the Service, to act as Secretary to the Medical Fund, for which duty I receive a monthly salary of 175 Rupees. As the incumbent who may be appointed to officiate during my absence on special duty will draw the whole of that salary, I now beg to solicit that the Government may be pleased to sanction the disbursement to me, in addition to my other emoluments, of a monthly sum of 175 Rupees during the period that I may be engaged in investigating the devastation caused by the Borer in coffee districts.

No. 274. ORDER THEREON, 30th October 1867, No. 1353.

The Governor in Council is pleased to comply with the application made in the foregoing letter, subject to the orders of the Government of India.

2. The Accountant General will be good enough to report the aggregate amount of the extra expense which will be entailed on the Government by Assistant Surgeon Bidie's deputation on special duty, including the compensation now sanctioned.
