In reply to your circular
Letter of the 29th inst I have to
express my sincere regret at
feeling myself unable to accept
the appointment proposed therein.
Firstly because I think that very
great difficulty will be experienced
in working the new Municipal Act
successfully. Secondly because I
believe that its faithful working
will through the unequal incidence
of taxation be the means of imposing
an unfair and oppressive burden where
it is least able to be borne and
thirdly I am of opinion that to be of
starting practical value a Municipal
Commissioner should be secure

of confidence, advice and cooperation
of the State papers whom he represents
Circumstances that likely to bring
him the opportunity to contribute his
favor of a friendly government
I have the honor to be,
Dear Sir,
Yours very truly,
