*Proceedings of the Madras Government, Public Department,
5th November 1867.*

No. 49. Read the following letter from the Inspector General, Indian Medical Department, to the Chief Secretary to Government, Fort Saint George ; dated Fort Saint George, 22nd October 1867, No. 409.

With advertence to Proceedings of Government, Public Department, No. 1259, of 11th October 1867, I have the honor to state that on inquiry, as to the duties performed by Apothecary Stephenson at Sydapet, I find they are as follows :—

Collector's Establishment...	No. 111
Tahsildar's Catcherry...	14
Post Office Establishment...	4
Government Farm...	80
Total.....	159

1st.—He affords medical aid to the establishments noted in the margin, and to their families.

2nd.—He has to be present at the infliction of corporal punishment, and to attend on wounded persons brought before the Magistrate.

3rd.—A portion of his house is used as a Dispensary, where he gives advice and medicine daily to all applicants. He also carries on vaccination as opportunity offers.

4th.—He is liable at all times to be sent into the Districts in case of epidemic disease breaking out.

2. I am of opinion that these duties are sufficient, fully and advantageously, to occupy Mr. Stephenson's time ; and even if they left him any leisure, the distance at which he necessarily lives from Madras would not admit of his services being utilized in any other way.

No. 50. ORDER THEREON, 5th November 1867, No. 1394.

To be recorded.

(True Extract).

R. S. ELLIS,

Chief Secretary.
