*Proceedings of the Madras Government, Public Department,
7th November 1867.*

No. 61. Read the following letter from the Collector of Bellary, to the Chief Secretary to Government, Fort Saint George; dated Bellary, 29th October 1867, No. 55.

I have the honor to request the opinion of Government whether land within the municipal limits of Bellary may be sold by the Commissioners, and the proceeds credited to the Commission for municipal purposes, as per Section 14, Act X of 1865.

2. A considerable area, viz., 70 acres, within the municipal limits will be taken up by the station of the North-West Railway near the town; also waste land is applied for within the town for building purposes. The question arises as to whether a charge for the land is leviable, and, if so, to whom to be credited, and whether the title be derived from the Commission or from Government.

No. 62. ORDER THEREON, 7th November 1867, No. 1402.

A copy of the Proceedings of Government in the Revenue Department, dated the 10th April last, No. 829, will be communicated to the President of the Municipal Commission, Bellary. The question raised in the foregoing letter is disposed of in the above Proceedings.
