Proceedings of the Madras Government, Public Department,
13th November 1867.

No. 92. Read the following letter from Surgeon J. SHORTT, M. D., Superintendent General of Vaccine, Madras Presidency, to the Secretary to the Inspector General, Indian Medical Department, Fort Saint George; dated Madras, 5th November 1867, No. 1179.

In acknowledging receipt of Government Proceedings, dated 29th October 1867, just received, I have the honor to bring to the notice of the Inspector General, Indian Medical Department, that, in the scale of Superintendents now laid down by Government, allowance is made for only 19, whereas the number actually required and previously sanctioned by Government, in G. O., dated 7th August 1867, No. 957, was 23. This number is essentially necessary, to allow of the superintendence for the Presidency towns and the large body of Zemindary and other vaccinators, now numbering 81, and to allow of provision being made in the event of sickness, &c.; and as the omission may have occurred from oversight, I beg respectfully to suggest that the number of Superintendents on Rupees 100 be increased from 4 to 5, and, the number of the grade on Rupees 70 be increased from 3 to 6, which will complete the required number. It will be necessary that the representation be made at once, ere the scheme is sent on for the sanction of the Supreme Government.

MEMORANDUM.

Forwarded to the Chief Secretary, with reference to the Proceedings of Government, Public Department, No. 1343 of 29th October 1867.

FORT SAINT GEORGE,

Inspr. Genl., Indian Medl. Dep.

No. 93. To the Secretary to the Government of India, Home Department, dated Fort Saint George, 13th November 1867, No. 1423.

Since the despatch of my letter of the 29th ultimo, No. 1344, on the subject of a revised establishment for the Vaccine Department in this Presidency, the Superintendent General of Vaccine has pointed out that the scheme there submitted provided for only 19 instead of 23 Superintendents, as proposed in the Proceedings of this Government of the 7th August. The error arose through an oversight; and, in now enclosing a copy of Dr. Shortt's letter, I am directed to submit an amended scale of establishment to be substituted for that furnished with my letter above referred to.

2. The cost of the establishment will then stand at Rupees 7474 per mensem, or Rupees 1187 in excess of the present sanctioned allowance, exclusive of the salary, &c., of the Superintendent General, as shown in the accompanying revised Tabular Statement.

Chief Secretary.
