Chief Secretary.

*Proceedings of the Madras Government, Revenue Department,
11th November 1867.*

No. 182. Read the following letter from the Inspector General, Indian Medical Department, to the Secretary to Government, Revenue Department, dated Fort St. George, 5th November 1867, No. 436 :—

In continuation of my letter No. 363, of the 13th September 1867, I have the honor to forward, for the information of Government, the enclosed report just received from the Acting Zillah Surgeon, Mangalore, by which it will be seen that the fever recently prevailing in South Canara has now all but disappeared, and that the Dressers temporarily employed in the districts have therefore been withdrawn.

From the Acting Zillah Surgeon, Mangalore, to the Inspector General, Indian Medical Department, dated Mangalore, 26th October 1867, No. 15.

1. I have the honor to inform you, that since my last report the fever in South Canara has been gradually decreasing, and has now all but disappeared.

2. One of the Dressers returned from the district suffering from fever, another was recalled by the Collector; as the returns sent by the remaining Dresser only shewed a weekly average of three fever cases treated, consequently I considered it advisable to recall him likewise.

3. The following is a table shewing the number of deaths in the month of September and cases treated, as contrasted with the previous months :—

Return shewing the mortality from fever in South Canara during the last six months, together with the number of cases treated by Dressers.

	DEATHS IN 1867.						CASES TREATED BY DRESSERS.							
	Mangalore Talok.	Uppinagadi Talok.	Udipi Talok.	Casserode Talok.	Kundaur Talok.	Total.	Nulliah Naidoo.		Ponambalum.		Davood Beg.		Total.
