*Proceedings of the Madras Government, Public Department,
26th November 1867.*

No. 161. Read the following letter from the Collector of Malabar, to the Chief Secretary to Government, Fort Saint George; dated Calicut, 8th November 1867, No. 132.

I have the honor to submit a list of Government buildings at Malliappoorum, formerly appertaining principally to the Police Reserve now abolished; all are now unused. The Hospital with its out-houses should be eventually retained as a public bungalow.

2. As far as my departments are concerned, I do not see any use in retaining the other public buildings mentioned here, or the present public bungalow, which, however, is not in the cantonment.

3. If the Hospital is given as a public bungalow, the present public bungalow may be sold, and the proceeds carried to the bungalow fund. Unless the other buildings are required by other departments, I would suggest their being at once disposed of, as they are rapidly deteriorating.

4. The present Dispensary was built, I am informed, by private subscription, but has been principally used by the Police. The Police Superintendent, Captain Davies, proposes using the Hospital abovementioned, and moving the Dispensary there for the present. When the Munjeri Civil Hospital and Dispensary* is completed, one at Malliappoorum will not be required.

* Vide G. O., dated 16th October 1867, No. 1284.

5. I beg, therefore, that when the present Malliappoorum Dispensary is vacated, I may be permitted to sell the building, and credit the proceeds to the Dispensary now sanctioned at Munjeri.
