No. 202. ORDER THEREON, 28th November 1867, No. 1497.

Under Section 145 of (Madras) Act X of 1865, the Governor in Council approves and confirms the bye-laws submitted with the foregoing letter, with the exception of Nos. 37 and 50, the former of which is superfluous, provision having been made in Section 110 of the Act prohibiting any new market being opened in any town without the permission of the Commissioners. Proposed Regulation No. 50 appears arbitrary and unnecessarily restrictive.

2. The following will be substituted for proposed bye-law No. 23:—

"No person shall drive any vehicle of any description at any time between three-quarters of an hour after sunset and one hour before sunrise without a sufficient light, except when, in the opinion of the Magistrate, there may be sufficient moonlight to render such light unnecessary."

3. The bye-laws will be published in the *Malabar District Gazette* for the period of one month.

4. The rates of fees to be charged for the purposes detailed in the table of fees on licenses are approved.
