No. 542. Read the following letter from the Secretary to the Government of India, Public Works Department, (Civil Works—Miscellaneous,) to the Secretary to the Government of Fort St. George, in the Public Works Department, dated Simla, 2nd November 1867, No. 792 C:—

1. In reply to your letter, No. 2,941, dated 21st September 1867, I am directed to state that the Governor General in Council will not object to sanction, as a

special case, the expenditure from Imperial Funds of Rupees 74,000, for constructing a main Sewer for the drainage of the sanitarium of Ootacamund; but I am to add that this sum must be looked upon as a Government grant-in-aid, and that the work is not to be considered as in any sense an Imperial one. There will, however, be no objection to the Public Works Department undertaking the work if the Municipality desire it.

2. The sanction given in this letter has been registered as No. 92 C of 1867-68 in this Office.
