MEMORANDUM.

The Under Secretary to Government, Public &c., Departments, is directed to request that the Collector of the Godavery District will state, with reference to a municipal notice published at page 418 of the *District Gazette*, and dated 2nd instant, whether payment is demanded by the Collectorate Press for all or any of the municipal advertisements, notices, and other proceedings published by the Commission in the Gazette.

FORT SAINT GEORGE,
12th October 1867.

(Signed) F. BRANDT,
Under Secretary.

To the Collector of the Godavery District.

No. 22. From the Collector of the Godavery District, to the Under Secretary to Government, Fort Saint George ; dated Cocanada, 19th October 1867,
No. 25.

With reference to your Official Memorandum of the 12th instant, No. 309, I have the honor to inform you that no payment has been demanded from the Municipal Department for advertisements, notices, and other proceedings of the Commission published in the *District Gazette*.

2. Section 32 of the Towns' Improvement Act requires the annual reports to be published in the District Gazettes, and, therefore, I think no charge can be made on that account. Notices requiring wide publicity have from time to time been published without charge. It has not been the practice to publish the proceedings of the bi-monthly meetings, as appears to be done in certain districts. Forms and other works done for the Municipalities have been all along charged as private work.

No. 23. ORDER THEREON, 4th December 1867, No. 1519.

The Collector may permit the publication of municipal advertisements, &c., in the *District Gazette*, gratis, but he will exercise his discretion as to the space to be allowed to these advertisements, and to such other municipal notices as are not required by the Act to be published in the Gazette.

Memo for orders.

(11)

It having been noticed that Municipalities were in the habit of inserting notices & advertisements on various subjects in the District Gazette, the Coll. of Godavery District was called on to report whether payment for such was demanded by the Collector to Press.

In no. 25 (herewith put up) Mr. Fraser reports that no payment has been demanded from the Municipal Dept. for advertisements, notices, & other Pro. of the Commission published in the District Gazette.

Section 32 of Act X of 65 directs that the Annual Report furnished to Govt. shall be published in the District Gazette.

It is probably intended that this

should be free of charge, but it seems doubtful whether municipalities should be allowed to insert any other advertisements & notices free of charge.

Orders are requested as to whether the present system of demanding no payment should be continued, or whether the Municipal bodies should be treated as private individuals.
