G.O. No.	1521	Press Mis.
Dated	4-12-	191867

Not to be folded or roughly handled

No. 26. Read the following letter from the President of the Municipal Commissions in Malabar, to the Chief Secretary to Government, Fort Saint George; dated Calicut, 12th November 1867, No. 134.

I have the honor to submit for sanction bye-laws for the Cannanore Municipality. I cannot advocate the addition made to No. 7 (general). To require notice to be given of buildings where there is such inveterate inclination to encroach, is only fair and proper; but, notice being given, it is (as it seems to me) for the Commissioners to interdict and prevent if necessary, not for the intending builder to wait the Commissioners' formal sanction.

2. I would alter bye-law No. 10—"the owners of premises abutting on a public way shall provide proper entrances thereto, with culverts if necessary, to the satisfaction of the Commissioners, so that the side drainage of public ways be not interfered with."

3. And if this bye-law is approved for Cannanore, I beg it may be sanctioned for Calicut, in supersession and lieu of by-law No. 10 (general) of the Calicut bye-laws, as the existing Calicut bye-law is open to quibbling evasion and difficult to work.

BYE-LAWS FOR THE CANNANORE MUNICIPALITY.

Slaughter-houses.

1. No place shall be continued or established as a slaughter-house until sanctioned by the Commissioners.

2. The fee on slaughter-houses shall be Rupees five per house, per annum.

3. Every slaughter-house shall be thoroughly washed and swept twice at least daily, at such times as the Commissioners may fix.

4. Every slaughter-house shall be lime-washed both within and without, once at least in every three months.

5. Every slaughter-house shall be paved with granite or cutch stones, or flat paving bricks, or tiles or asphalte, and the joints fresh pointed with mortar once at least annually.

[Bye-laws Nos. 1 to 5 were sanctioned for Calicut—vide *Fort Saint George Gazette*, dated 18th July 1867, page 216.]

Noxious Trades.

1. No noxious trade shall be carried on except in places sanctioned by the Commissioners.

2. The fee on noxious trades shall be Rupees ten per annum.

3. No owner or occupier of any tannery within the prescribed limits shall remove, or allow to be removed, any hide or skin from any pit in any such tannery, for the purpose of exposing the same to the air, or for any other purpose, at any other time than between the hours of 5 and 8 o'clock in the morning.

4. Every owner or occupier of any place within the municipal limits used for any of the purposes specified in Section 114 of the Towns' Improvement Act X of 1865, shall remove, or cause to be removed, once at least in every 24 hours, all filth, dirt, and refuse, which, at the time of every such removal, shall be in or about any such place, and shall cause such filth, dirt, or dust, to be deposited in such places as the Commissioners may approve of.

[Bye-laws Nos. 1 to 4 were sanctioned for Calicut—vide *Fort Saint George Gazette*, dated 18th July 1867, page 216.]

Burial Places.

1. No person when burning, or causing to be burnt, any corpse, or part of a corpse, in any burning ground within the said town, shall permit the same, or any part thereof, to remain without being completely reduced to ashes, or to be removed until the same be so reduced.

2. Every person who shall bring or convey, or cause to be brought or conveyed, any corpse, or part thereof, to any burning or burial ground within the said town, shall burn or bury, or cause the same to be burnt or buried, within four hours after its arrival at the said burning or burial ground. Every grave must be four feet deep at least.
