*Proceedings of the Madras Government, Public Department,
5th December 1867.*

No. 38. Read the following letter from the Quarter Master General, to the Secretary to Government, Military Department, Fort Saint George; dated Fort Saint George, 22nd November 1867, No. 7474.

With reference to the annexed copy of Order of Government, Nos. 2567, 2595, and 2691, dated 5th February 1867, Public Department, I have the honor, by order of the Commander-in-Chief, to report, for the information of Government, that I have entertained Mr. J. R. D'Silva in my office from the 16th instant, on a salary of Rupees 55 per month, and request that authority may be passed for him to reckon his previous Government service of 14 years and 10 months towards pension. His Register is also attached.

Nos. 2567, 2595, and 2691 of 1866.

The Government cannot comply with the petitioner's application for a gratuity. It appears that when the office establishment of the Inspector General of Jails was lately re-organized, the petitioner not being considered equal to the duties of Head Clerk was appointed by the Inspector to the post of Accountant, which was created subject to the orders of the Government of India, and that on the appointment of Accountant being disallowed, the petitioner was offered the situation of 2nd Clerk on a salary of Rupees 100 per mensem, but refused to accept it.

2. Under the circumstances, the petitioner is clearly not entitled to a gratuity, but in the event of his again obtaining employment in the public service, the Governor in Council will be prepared to recommend that, as a special case, all his past service shall be allowed to count for pension.
