Public Department

Sir,

I have the honor with reference
to Proceedings of Government dated 30th
ultimo c 1853 Public Department to state
by direction of the Asst. Comptrol General that
the extra expense to acting officers which will be
entailed upon Government by the deputization
of Assistant Surgeon Biddle upon special duty
amounts to Rs 400 - for mention as made -

To the Officer in charge of the Lunatic Asylum Rs 125.
" the Chair of Botany 100.
" the Medical Fund Office 175.

2. I have inserted the full sum drawn
by Assistant Surgeon Biddle under Proceedings
of Government dated 15 January 1867 c 61
Public Department as the amount that will be
due to Mr. Alexander appointed to the charge
of the Lunatic Asylum as it appears to me
that the same is a local allowance i.e. payable
to the officer performing the duties of the post
and not a Staff salary. Should Government
however consider fit as the latter Mr. Alexander
will draw only a moiety, Rs 62-8- and the
total charge will be reduced to Rs 337-8-

AS

3. As the Pay attached to the various Professorships of which Salway is one, is distinctly stated in G. O. G. P. & 10,370 to be "Staff Salary" the allowances of the Officers acting in that chair fall to be regulated by the rules affecting Staff Salaries, and not by those under which Officers in the Indian Medical Department holding Professorships prior to the publication of the G. O. mentioned above received their Pay as such.

4. The Deputy Accountant General Mysore, has applied for information as to the sum for which he may have to provide on account of these additional changes by a Supplemental Budget, but shall tell him that the matter has been referred to Government and that upon receipt of their orders only shall he be in a position to state the same with accuracy.

I have the honor to be,
